A
Prosperous
New Year

L. P. BEHRENS DIES FROM INJURIES SUSTAINED IN AUTOMOBILE ACCIDENT

The funeral of the late L. P. Behrens was held at the funeral home of J. P. Behrens, 24th and Main streets, at one o'clock Thursday. A large number of friends attended the service. The deceased was a member of the Congregational church. He was a member of the board of trustees of the church, and had been a member of the board of trustees of the church for many years. He was a member of the board of trustees of the church, and had been a member of the board of trustees of the church for many years. He was a member of the board of trustees of the church, and had been a member of the board of trustees of the church for many years.

The Late L. P. Behrens

Immediate family and friends. He was a member of the board of trustees of the church, and had been a member of the board of trustees of the church for many years. He was a member of the board of trustees of the church, and had been a member of the board of trustees of the church for many years. He was a member of the board of trustees of the church, and had been a member of the board of trustees of the church for many years. He was a member of the board of trustees of the church, and had been a member of the board of trustees of the church for many years. He was a member of the board of trustees of the church, and had been a member of the board of trustees of the church for many years.

Your Child's Eyes

ONE OF THE MOST ESSENTIAL THINGS IN CHILD'S LIFE IS "GOOD EYESIGHT." IT IS NECESSARY TO SAY YOU WOULD DO ANYTHING TO PROTECT YOUR CHILDREN'S EYES. IT HAS BEEN PROVEN BY GOOD AUTHORITY THAT IN MOST CASES EYESIGHT HAS BEEN DUE TO POOR ARTIFICIAL LIGHTS. WHY JEOPARDIZE YOUR MOST VALUED GIFT—EYESIGHT—BY POOR LIGHTING? THE FIXTURE THAT WAS CONSIDERED PERFECT TEN YEARS AGO IS NOW CONSIDERED A MENACE TO THE EYES. LET US CALL AND SHOW YOU SOME OF THE NEW LIGHTING UNITS. WE ARE GLAD TO ASSIST YOU IN THE PROPER LIGHTING OF YOUR HOME.

Sheriff Lampkin Reported to be Improving

The condition of Sheriff Lampkin, who is in the Peninsula Hospital, following an automobile accident Saturday night, is a little improved in his condition, according to latest reports available. The sheriff's condition, however, is still very serious, and little hope is held out for his recovery. The accident which resulted so tragically for the sheriff occurred last Saturday night. Lampkin was in his car and was evidently pursuing someone on the Middlefield road. Near the bridge which divides San Mateo and Santa Clara counties he struck a telephone pole. The sheriff is said to have been driving at a speed of over 50 miles per hour at the time and the crash which ensued when the car struck the pole resulted in the sheriff's being severely injured. He was held for him on Sunday, and his death was momentarily expected. He has not, however, become worse, although it is said that he now has pneumonia.

At present, it is said that the most dangerous symptom is the congestion of his lungs. He is able to combat his chances for recovery are said to be good. In the absence of the sheriff, Undersheriff McGovern is handling the office with the assistance of the other deputies, and is maintaining the same standard of efficiency which has characterized the term of Sheriff Lampkin. In the mean time the many friends of the sheriff are keeping the telephone at the jail busy with inquiries concerning his condition.

RADIO SERVICE SUNDAY AT CONGREGATIONAL CHURCH

A unique church service was enjoyed by those who attended the morning service of the Congregational church last Sunday. Because of the illness of Rev. R. W. Dodge and the inability of the committee to procure a pastor to fill the pulpit on Christmas Sunday, it was decided to take advantage of the radio service broadcast from San Francisco. An elaborate set of instruments was supplied for the occasion by A. W. Grimmstein, who also installed the set and operated it for the morning service. A number of fine musical numbers of a sacred nature were enjoyed. The Lord's Prayer followed as clear as though it were spoken by someone in the front of the church, then an excellent sermon was heard, and was followed by other musical numbers and the benediction. To many of those present who were not familiar with the progress that has been made in the last few years in radio telephony the service was a decided surprise.

SAN CARLOS YOUTH DIES FOLLOWING LONG ILLNESS

Ambrose Luke McCarthy, 23-year-old son of Mr. and Mrs. Joseph McCarthy of San Carlos passed away last Thursday evening following a protracted illness. The deceased was born in Los Angeles, and had lived in San Carlos for about three years. The funeral of the unfortunate young man took place yesterday from the St. Carmel Catholic church, the service being conducted by Layne and Tinney.

LA HONDA ASSOCIATION TO MEET FRIDAY

The next meeting of the La Honda Canyon Promotion Association will be held on the evening of the 4th day of January. The business meeting will be followed by a community dance. There will be no charge for the dance and all canyon folk are their friends are invited to attend and get acquainted.

SON-IN-LAW OF A. CROWELL DIES

Word was received here last Wednesday of the death in Glendale of Lionel DeYoung, son-in-law of W. A. Crowell of this city. DeYoung's condition had been critical for some time, and his father-in-law had been called south several times lately by his illness. The young man's death is due to injuries received in the war, he having been badly gassed in France, the effects of which he had never overcome.

DeYoung had an honorable record of three years on the front in the late war, was severely wounded and was gassed twice. In 1915 he was decorated by King Albert of Belgium for distinguished service in that country.

De Young and Miss Elaine Crowell were married about four years ago, and have since made their home in Glendale. He is well known here, having often visited here with W. A. Crowell.

The funeral was held yesterday afternoon from the chapel of the James Crowe Company here. The service was conducted by Rev. C. H. Stevens, formerly of the local Congregational church and was followed by interment in Cypress Lawn cemetery.

Mr. and Mrs. Max Brizard (formerly Fannie Crowe) of Chapin Lane, Burlingame, returned home Saturday from the southern part of the state, where they motored to bring home their little nephew, Master Everett Leach, for the Christmas holidays. While the Brizards were away burglars entered their home and stole all their clothing.

HAPPY NEW YEAR

Year after year we have wished our readers a Happy New Year. We are glad to be able to do so again this year. We do wish you a happy and prosperous year during 1924.

First and foremost we wish you good health. We haven't anything against the doctors but we hope that you won't have to pay a one of them a cent during the whole year. Secondly, we wish you success. May you find the end of the rainbow in your own back yard. Thirdly we hope that your every desire will find fulfillment in 1924.

Could we wish you more? And now may we retrospect a moment. 1923 has been a good year for most of us. There have been the cloudy days along with those of brightest sunshine. Some of us have been called upon to lay away those who were dear to us, but we have come to know that a Guiding Hand knew what was the best. Some have passed through the trying experience of great suffering, either physical or mental, but now we know that there was some reason for it and we should be better because of the experience. Some of us had reverses during 1923, but sometime, somewhere, we will realize that it was all for the best. Things do not usually happen unless there is some reason back of them.

Some of us have been happy and successful all through the year. Some of us have had our every wish fulfilled. We are glad that good things have been our portion. We hope that such times will always continue. For ourselves we are going to expect that the road's next turn will be the best and smoothest we have ever traveled. If you have been troubled during the past years and are fearful for the future, learn this little verse of Riley's:

"So, forgetting all the sorrow
We have had,
Let us fold away our fears
And put by our foolish tears
And through all the coming years
Just be glad."

LOCAL HAPPENINGS OF GENERAL INTEREST CONCERNING WELL KNOWN LOCAL PEOPLE

Mr. and Mrs. Ralph Dodge spent the week end in Centert.

Mr. and Mrs. H. C. Groom, with their little daughter, Mary Jane, have gone to Kansas, their former home. The Grooms will spend about a month visiting relatives and friends before returning.

Mr. and Mrs. Fred George of Stambough street had as their guests for Christmas, Mrs. Edwin George and Miss Mattie George of Oakland. Mr. and Mrs. P. McPherson of Saratoga and Mr. and Mrs. J. J. Morris of Woodside.

Those who enjoyed the hospitality of Mr. and Mrs. Dave Moore on Christmas were Mr. and Mrs. Charles Ray and daughter, Mr. and Mrs. Floyd Witherly and son, Mr. and Mrs. Harry Moore and sons, and Miss Grace Priest.

Mr. and Mrs. Fred Kruse, (nee Margaret Adams) are receiving the congratulations of their friends upon the arrival of a baby boy born Sunday in the Palo Alto hospital.

Timothy Sheehan, the well-known realty agent of Daly City, was a local visitor Wednesday.

Rev. Rolan B. Dodge, pastor of the local Congregational church, and now in the Mills Memorial hospital from the effect of an auto accident several months ago, is reported to be much improved. His condition was such that the services of a special nurse have been dispensed of. Mrs. Dodge has moved to San Mateo to be near her husband.

John Clancy, assistant at the local office of the Southern Pacific Company for the past four months, will leave the end of the week for Portland, Oregon, for a visit. He will return to Redwood City later in January.

Paul Gerrish of the local high school faculty is to run in the Olympic races in San Francisco on New Year's Day. He has been practicing for this for some time.

Mr. and Mrs. Arthur Dodge of San Francisco spent Christmas with the former's mother, Mrs. Julia Dodge on Vera avenue.

Mr. and Mrs. John McCrea of Modesto were guests at the Geo. Steffen home over Christmas. Mrs. McCrea and Mrs. Stafford are sisters.

Mr. and Mrs. A. A. Gugel and little son spent Christmas with Mr. and Mrs. J. P. Weller. Mrs. Gugel was formerly Miss Ruth Weller.

W. J. Price and A. J. Price, father and brother respectively, of Perry Downs of this city, spent Christmas at the Downs home here.

Mr. and Mrs. Fred Nobs of Grass Valley spent Christmas visiting relatives in Redwood City.

Word has been received by Mrs. L. B. Winniger from Rev. and Mrs. C. E. Peck. The Pecks have settled in Florida, and Mr. Peck's health has much improved. Rev. Peck was a local visitor yesterday. Mr. Bromfield was county surveyor of San Mateo county for several terms.

Construction Work on Cement Plant Begun

According to reports received this week the actual construction work on the big cement plant will start immediately. So far dredging operations have been in progress and the mud and shells dredged up have been used to build land on which to place the extensive buildings which are now to follow.

The first step in building, it is said, will be the driving of thousands of piles, each pile to be eighty feet in length. These piles will help support the foundation of the buildings. The contract for driving the piles has been let to Duncan and Harrelson of San Francisco, and work is to be started immediately.

The first unit of the plant which will be completed will consist of two large kilns for the burning of the cement. Each kiln will be 240 feet in length and 12 feet in width, and are expected to have a capacity of 1200 barrels of cement a day. This first unit of the plant will be in operation by the first of July, according to announcement by the contractors.

After the first unit is in operation, other kilns will be added, until it is said the plant will be the largest in the world. An almost inexhaustible bed of shells is available and only the capacity of the machinery will limit the output.

NEW REGISTER BEING PREPARED BY COUNTY CLERK

Work has already been started on the preparations for the great register of voters of San Mateo county. The work will be a prodigious one, for this year because of the great increase of population, and because election closes on April 5, so that practically all those who wish to vote at the primary election must register within the next three months.

County Clerk Kneese will have a large number of deputies throughout the county, registering voters, and it is urged that all who wish to vote should register as soon as possible. In order to vote at a primary election a voter must register under one party or the other. After the primary, it does not matter which party he is affiliated with.

MURDER STORY ON COASTSIDE FALSE

A report that someone had been murdered at a resort near Granada Monday led to an investigation by a posse of deputies from the sheriff's office. A house was found where the murder was said by neighbors to have been committed, and found to be riddled with bullets, and many of the windows had been shot out. Four persons were found in the house, and upon being questioned gave the names of Miss Marie Adams of 2000 Sutter street, Mrs. Helen Cole, 418 Precita street, Rein Polstra of 2413 Sacramento street, and F. E. Payne, 2404, Washington street, all of San Francisco.

Upon investigation the deputies decided that the cause of the commotion was an overdose of liquor or dope, which had resulted in an added hilarity to the party. The story told by the persons found in the house that the bullets were fired from a passing automobile, was not credited by the officers, who found that the shots were fired from within, and evidently at random.

The officers making the investigation were Deputies Meeks and Larsson of the sheriff's office and Officers McLaughlin and Kreiss of the Redwood City police force.

BROTHER OF WM. GRAY STARTS BUSINESS IN W. VA.

According to word received here G. F. Gray, a brother of William Gray, local lumber dealer, has started a lumber business in Moundville, West Virginia. The new firm, according to the announcement, is known as the Hunter-Gray Lumber Company. Gray is well known here and has many friends who wish him success in his new venture.

TEACHER BADLY BURNED PLAYING SANTA CLAUS

A Christmas celebration at the Buellton school, near Santa Barbara, was turned into tragedy Monday when fire ignited the Santa Claus costume of Miss Henrietta Dyer, school teacher, and she was badly burned. Miss Dyer is said to have struck a match to light candles on the Christmas tree and the match flame ignited the cotton whiskers of her costume. She will probably recover it was reported.

Miss Dyer is well known here. She was a time teacher in the Alpine school and on several occasions substituted in schools in this neighborhood.

CHAS. SCHWARTZ, CAFE MAN DIES WEDNESDAY

Charles Schwartz, who for the last nine years has conducted the cafe on the highway, known as Schwartz's Cabin, dropped dead of heart failure last Wednesday. Schwartz was a native of Russia, 60 years of age. He is survived by his widow, Mrs. Minnie Schwartz, and three daughters, Mrs. Esther Melman, Mrs. Scherry Greenberg and Mrs. Sophie Perle. The funeral was conducted yesterday by the Hebrew Rural Association.

While coming to Redwood City, Thursday afternoon to attend the funeral of the late L. P. Behrens, James P. Casey, the Colma realtor and former supervisor, was run into by a Jap and both machines were damaged, but fortunately no one was hurt.

SENATOR S. M. SHORTRIDGE ANSWERS SCURRILOUS CHARGES IN JAPANESE QUESTION

Editor Times-Gazette,
Redwood City, California.

My dear Sir:

I am enclosing a copy of an editorial which appeared in the San Jose News, December 1st, and a copy of a letter I have addressed to the editor of that paper. I care little for the scurrilous reference to me, but I am deeply concerned over the use which has already been and will be made of this editorial by the Japanese propagandists. Here is a California newspaper of presumable character, circulation and influence denouncing our Bill to exclude aliens ineligible to citizenship as "an appeal to mob violence," as "uncivilized and idiotic," as "reactionary, uncivilized, disgusting," and expressing the hope that Congress may "unceremoniously reject Shortridge's disgraceful proposal," etc., etc., ad nauseum.

You must realize that it will be loudly claimed that this editorial voices California sentiment.

I suggest that the press should disavow the un-California views of this un-California newspaper, and rebuke its Japanese editor, and I shall be glad to have you publish my letter and make such editorial comment as you may think will help our cause.

Yours sincerely,
SAMUEL M. SHORTRIDGE

Editorial from San Jose News of December 1, 1923.

SENATOR SAM SCINTILLATES

"Senator Samuel Morgan Shortridge who rode into office on the Republican landslide a few years back, proposes to out-Herod Herod in this matter of jabbing the Japanese with a red-hot pitchfork. It is the worthy solon's desire to persuade Congress to enact an amendment to the immigration law which would bar all persons not eligible for citizenship from this country. As we understand this marvelous proposal it is calculated to prevent even Japanese students from visiting this country for a period long enough to enable them to take a college course."

"Shortridge" is playing a cheap

SAMUEL M. SHORTRIDGE

Washington, D. C. Dec 13, 1923.

To the Editor of the News, San Jose, Calif.

Whether the coarse and scurrilous editorial appearing in the December first issue of the News was inspired by political malice or born of your pitiful ignorance, I know not nor do I care; but whatever moved you to write and publish such an article concerning one who is striving with other Californians to save our State and Nation from Oriental immigration, the fact is, the proposed law to exclude aliens not eligible to citizenship has been and is, by formal resolution, favored and approved by the Native Sons of the Golden West, by the American Legion, by the National Grange, by the American Federation of Labor and by the vast majority of the people of California and of the other Pacific Coast States.

The bill you refer to was not introduced by me, but by Hon. Albert Johnson, Chairman of the House Committee on Immigration, and by Senator Henry Cabot Lodge, Chairman of the Senate Committee on Foreign Relations. I hasten to add that I heartily favor this bill, as also do Mr. V. S. McClatchy, Attorney General Webb, and other public spirited citizens who are animated by no other motive than to serve the best interests of our State and Nation.

If you think it just to scoff and sneer at me and my efforts to carry into effect the overwhelming wishes of the people of California you may continue to do so; but you should at least be decent and state the facts. To the end that you may know its provisions as they apply to Oriental immigration I am enclosing a copy of the House Bill No. 101 (a duplicate of which is Senatorial).

If you are able to read and understand the American language you will discover how ignorant you were (and probably now are) when you said that "this bill" is calculated to prevent even Japanese students from visiting this country for a period long enough to enable them to take a college course; for, as the bill specifically provides that:

"An immigrant over 18 years of age and who seeks to enter the United States solely for the purpose of study at an accredited college, academy, university, or university particularly designated by him and approved by the Secretary."

I am opposed to Oriental immigration. You appear to favor it. In plain terms, tell your few readers so and you will have no readers. I am here fighting this battle for our people. I had hoped for your assistance. I am sorry to see that you are enlisted (as a volunteer or for hire) under the banner of Japan.

Yours truly,
(signed) SAMUEL M. SHORTRIDGE

A Happy New Year

L. P. BEHRENS—AN APPRECIATION

The Town of Redwood City was shocked beyond words last Sunday when word arrived that L. P. Behrens had been seriously injured. On Monday a genuine sorrow pervaded the whole community when the news of his demise was received. Mr. Behrens had become so much a part of our community that it was hardly possible to think of Redwood City and its progress without associating L. P. Behrens with the idea. He was active in the business and financial interests; he was a consistent Christian church member; he was deeply interested in the educational affairs and in the fraternal activities of this section and his interest meant real activity.

An appreciation of anyone should be made while they are engaged in their regular work. We have at different times voiced that appreciation. Now we can only voice the sentiment of every citizen of Redwood City, "The town has suffered a terrible loss."

Mr. Behrens was taken in the vigor of his manhood. He had built up through years of endeavor a name and position that stood for honesty and uprightness. He leaves as a heritage that honored name. Redwood City will always be better for his having lived here. It is not humanly possible for us to say anything that will assuage the grief of those who are near and dear to him but it may help them in their time of sorrow to know that everyone in the town which he loved so well is sorrowing with them at their loss.

TIME AND CHANGE

The experiment tried by a local church last Sunday demonstrates the progress that has been made in the last few years. Over a hundred people sat in the auditorium of the local church. An oblong box with a horn by it was placed on a table. Beneath the table were some batteries. On the roof of the edifice was an aerial.

At eleven o'clock an announcement was made in San Francisco that a certain anthem would be sung by a choir of thirty voices. As clear as though the singers were in the church came the Christmas carol. Then followed the Lord's Prayer and later a sermon was preached, another carol sung and the postlude and benedictions given. Everything was clear and distinct and yet the words were said and the music rendered in San Francisco and transmitted, no one knows how, on the waves of the ether. Those sounds could have been heard practically anywhere had the hearer the proper receiving apparatus.

It is marvelous what God has wrought. He has put wonderful ideas into the minds of men. Truly we are living in a wonderful time—the very best time in the history of the world—but the times are getting better every day because of the marvels God has given us.

THEN AND NOW

Last Tuesday was a quiet, orderly day. Every family in Redwood City enjoyed Christmas. There was not a home in the community that could not have had a feast and a festival if it wanted. Practically every family is in pleasant circumstances. There wasn't a man on the street who had tarried too long at the wine.

Twenty years ago, according to our files, there were a number of "drunks about the street." Every one of the thirty-two saloons had free lunches—several of them had steaming bowls of Tom and Jerry. Rock and Rye was the Christmas drink. There was many a family that went hungry that day. There wasn't the peace—there wasn't the prosperity.

We are strong for prohibition.

CONSIDERING LARGER SCHOOL GROUNDS

Our friends in San Carlos had a mass meeting Thursday night at which they discussed the advisability of selling their present school site and acquiring a larger tract. If the scheme is carried out the school will be moved to the new location, where the children will have more playground space.

The day has passed in California when the school house can be put on the piece of ground that is not good for anything else.

Growing children need exercise. The streets are no longer available because of traffic, so from now on we may look for larger school grounds, centrally located.

Good school grounds make happy Children.

A Way to Peace Suggested

We received this week the following plan for world peace in response to an editorial which appeared in a recent issue. This plan is offered by one of our subscribers, with the request that we pass it along to other readers, which we do.

1 "The United States in order to achieve and preserve peace must prove herself a neighbor. Gal. VI-2: 'Love ye one another's burdens, and so fulfill the law of Christ.'"

Gal. V-14: "For all law is fulfilled in one word, even this, Thou shalt love thy neighbor as thyself."

2 "To be able to do this the United States must be transformed by the renewing of her mind. Rom. XII-2: 'Be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God.'"

"Summary: The Unity of Humanity, or a World Peace can be promoted by one agent, and one alone, that is 'The Prince of Peace.' Wounded through the attacks of the enemy, fallen among thieves and robbers, a prey to their own infidelities, the nations of the world lie prostrate and ready to dissolve."

"Many gaze upon their afflictions and pass by another way. Let the United States bow her knee to 'The Prince of Peace.' Wounded through the attacks of the enemy, fallen among thieves and robbers, a prey to their own infidelities, the nations of the world lie prostrate and ready to dissolve."

This should prove a practical plan to a nation claiming to be Christian nation, as does the United States. It was set forth by 'The Prince of Peace' for all people of all time."

STATE PLANS ROADS

TO MEET BAY BRIDGE

Full co-operation will be given by the California State Highway Commission in the construction of all highways connecting with and adjacent to the Dumbarton Highway Bridge so that they will be completed by March 1925, according to announcement of Secretary M. W. Mixon at Sacramento yesterday. News of this announcement was received at the Dumbarton Highway Bridge Corporation, and according to P. R. Thompson, managing director, it means that simultaneously with the opening of the Dumbarton Bridge in March, 1925, all connecting links will be thrown open to traffic, and motor transportation between metropolitan districts of San Francisco, and the agricultural area of Central California will be greatly facilitated.

Completion of this bridge will cut trucking charges between Central California points and San Francisco \$1.75 on a one-ton truck, and \$5.88 on a 6-ton truck besides eliminating approximately at least 1-2 hour in running time. This co-operation of the State Highway Commission was secured by a request of the San Francisco Board of Supervisors.

TWENTY-FIVE YEARS AGO

Appeared in Times-Gazette December 17, 1898

"Reliable Historian" tells us of an event long ago whereby hangs a thread of history and where the term, "Gringo" came to be applied to the American by the Mexicans. Once upon a time, in the beginning of this century, the good ship Ringold, came from Boston, around the Horn to California, and passing through the strait since called Golden, came to anchor off Coyote Island, and announced herself ready to barter cargo for skins, hides and tallow. The ranchers drove their cattle by the thousands to these parts, and the crew slaughtered, rendered tallow, and stowed away the salted hides by the wholesale. The scene of the bloody operations was on the island shore, and the carcasses were left for the recurring high tide to dispose of as wind and water might select. At that time a fine oyster bed of the native variety stretched along our shores and the people had long known their excellence, and had used the succulent bivalve, and thanked the good divinity for the provision. But the festering carcasses of the thousands of cattle for weeks poisoned the waters and invited foul creatures in myriads to the unpoluted waters and when a year had gone by the ruin was complete. The native inhabitants, too incensed to forgive from that time on hurled a corruption of the word, Ringold, at all from the American States, and for half a century used the term "gringo" as a synonym of all that was despicable.

Judge Goodwin of Quincy was here during the week on a visit to his old friend, Dr. Barrett. The judge is an enthusiastic expansionist, and believes that the United States is about to enter an era of prosperity so great as it has never experienced before.

W. D. McPherson came from Santa Cruz on Monday on a brief visit with his cousin, Andrew McPherson, of this city.

J. C. Her was called to San Jose Friday because of the illness of his little daughter, Sadie.

John Dielman came up from Santa Cruz last week to spend Christmas with his parents.

FORMER REDWOOD MAN PASSES AWAY IN FRESNO

According to reports received by friends here, James Tannahill, formerly of Redwood City, passed away in Fresno last week. Tannahill was well known here thirty or forty years ago, at which time he was in partnership with the late Robert Brown in the contracting business. While in Redwood City Tannahill married Miss Belle Steuart of this city, and the couple made their home near the old ball park, not far from the present residence of Chase Littlejohn. The family left here in the early 90s. The deceased is survived by his wife and seven children, four daughters and three sons.

ITEMS OF INTEREST FROM STANFORD

The following items of interest concerning Redwood City people appear in the issue of the Stanford Illustrated Review which was received yesterday:

"94—H. E. Holmquist has accepted the position of head of the English department at the State Normal School, Cheney, Washington. Holmquist has for several years been principal of the high school at Aberdeen, Washington.

"98—Charles H. Merrill has been appointed to the committee of management of the Golden Gate Avenue branch of the San Francisco Y. M. C. A.

"13—H. M. Andreen is with the geologic department of the Carter Oil Company, address box 2045 Tulsa, Oklahoma.

"14 (M. A. '15)—John D. Cooke is professor of English at the University of Southern California. Mrs. Cooke was Grace Steinberger '17.

"13 (M. A. '23)—To Mr. and Mrs. Irving Cooper (Petrá B. Johnston) December 1, a daughter, Petra Lu.

"23—The engagement of Lee Sively Gurley and Consuelo Wright is announced.

(The above note will be of great interest to the younger set of Redwood City. Miss Wright is a graduate of Sequoia and is a student at the Stanford Junior College. She has made her home here for a number of years with her mother and is a most charming young lady. Mr. Gurley has resided in Redwood Highlands for the past two years. He is taking work at Stanford and has made many friends in Redwood City.

RAVENSWOOD P. T. NOTES

The Ravenswood Parent-Teacher Association held their regular monthly meeting at the school auditorium on Friday, December 14th.

Mrs. Lawrence Faber, chairman of child hygiene, reported that all of the children in the school who had showed loss of weight the previous month had been weighed and that Miss Loretta self, school nurse, had examined the eyes and throats of all the children. The banner for the best cleaned teeth during the month of November went to the children in Miss Louise Clark's room.

It was decided that graham crackers should be served with the milk that is given the children during the morning recess—these crackers to be furnished by the P. T. A.

Miss Ruth Harris' room was best represented at the November roll call of the P. T. A. and Miss Bernice Ewell's room at the December meeting.

The recent paper drive netted the association \$7.15. Miss Ruth Harris was assigned to the Publicity committee.

110 DISASTERS IN YEAR ENLIST RED CROSS AID

Nearly \$400,000 Spent in United States—Greek Refugee Work Completed.

For its preparedness to render relief through effective and generous aid to the sufferers from disaster the American Red Cross is universally regarded as the one organization from which response to appeal for help is immediate. In the last year, according to the annual report of the Red Cross, its disaster relief operations were carried out in 110 localities in the United States. This work, with activities carried over from the previous year, required the expenditure in the United States of \$377,463.04 by the American Red Cross, its Chapters and Branches. In the emergency following the defeat of the Greek forces in Turkey and the burning of the city of Smyrna, which entailed the relief of nearly 900,000 men, women and children, Red Cross National Headquarters expended \$2,005,096.09. The food distributed in Greece aggregated 25,000 tons; garments, 809,000; blankets, 48,550; new shoes, 5,000 pairs; medical, hospital and sanitary supplies, 304 tons. In the feeding of the refugees there was listed upwards of 22,000 children under three years of age.

The disasters in the United States during the past year reported 240 persons killed, 991 injured, 12,591 rendered homeless. The total property loss was estimated at \$20,710,000. Relief of suffering caused by disasters of such magnitude as to overwhelm the resources of the communities in which they occur is fundamental to the charter of the American Red Cross. In addition to making appropriations from its treasury and assigning trained personnel to relief work, the Red Cross in disaster centralizes and makes more effective relief funds and supplies contributed by the country at large.

Since 1881 the Red Cross has administered more than \$20,000,000 for the single purpose of disaster relief. That it may continue to accept the responsibilities which grave emergencies place upon the American Red Cross appeal is made for a nation-wide renewal of membership during the annual roll call, which opens on Armistice Day, November 11, and closes on Thanksgiving Day, November 23.

A reading by Mrs. Dora Crosby, "A Simple Bill of Fare for the Christmas Dinner," concluded the program.

FAMILY REUNION CELEBRATED AT C. H. WOODHAMS HOME

For the first time in several years it was possible for all the children of Mr. and Mrs. C. H. Woodhams to gather with their parents on Christmas day. Those who spent Christmas with the Woodhams were, Mr. and Mrs. Charles Bronscomb of Alameda; Mr. and Mrs. John Harrison and son of Stockton; Mr. and Mrs. Andrew Steward and daughter of Petaluma; Mr. and Roy Woodhams and two daughters, late of Africa; and Mr. and Mrs. Cliff Woodhams of Redwood City.

Wanted-For Sale For Rent-Etc.

Cleaning Without Odor

by the F. Thomas Process

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly \$500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes.

On Top of the World

THAT'S the way with a man who takes the opportunity to inform himself about what is going on around him, who knows what is transpiring in his community, and who can speak with authority on local matters of interest.

The local paper is a treasure house of information that should be at the hand of every public spirited citizen. Devoted to the interests of your community, a chronicle of the events of your town and county, the local paper is your most valued asset.

Right now at the beginning of a new year—what is it going to mean to you? Are you going to miss the benefits of having the local paper in your home? Now is the time to make the good resolution—NOW IS THE TIME TO SUBSCRIBE. Show your interest, in your town by sending in \$2.50 to-day, and receive the TIMES-GAZETTE all through 1924.

Never in the history of Redwood City were so many improvements being discussed, so much being done, so much planning for the future. Can you afford to pass by this opportunity

1924 Will be a Winner!

BUILDING AND LOAN
MATURES \$15,400 STOCK

The San Mateo County Building and Loan Association is giving its investors a splendid Christmas present in the distribution of \$15,400 of its stock in series No. 79, which reached its maturity value of \$200.00 per share on December 20th.

The shareholders are privileged to withdraw the value of their shares in cash or allow the same to remain on deposit with the Association for which interest bearing certificates of investment at 6 per cent, payable semi-annually, are issued, a safe and profitable form of investment.

There is a good demand for loans from the association, principally for the erection of new homes, many in Redwood City and vicinity. Investors with the Association are thus aiding the improvement and up-building of the Peninsula through a local institution and also relieving the shortage of homes which has been a very serious condition.

Series No. 125 was started on the 1st instant, and investments are encouraged. Another series will start March 1st.

The local Building and Loan Association was organized in this city thirty-three years ago, and has since that time proved an economical and profitable means of saving money to many residents of this city, besides furnishing the capital by which numerous homes have been erected. It is considered one of the safest investments in California.

Information regarding investments and loans on easy monthly payments may be obtained at the office of the Association, 90 Broadway. (Adv.)

STUDENTS!

Gallagher-Marsh Business College invites you to come and witness its student demonstrations. It then challenges all other schools to equal in your presence what you may see accomplished here.

Come and let us prove to you by student demonstrations that Gallagher-Marsh shorthand system is better than any other and that no other school compares with Gallagher-Marsh for competent stenographers, private secretaries, etc.

Don't be fooled by large ads or fancy furniture, but insist on seeing mental furniture as represented by the practical results in the students. So come and be convinced. Free catalog. Van Ness Avenue and Turk Street, San Francisco, Calif. Adv.

When a young man gets a reputation for being a wit, he seldom amounts to anything else. A "slick" political eventually slides out of office.

EDUCATIONAL BILL
BEFORE CONGRESS

The Education Bill, formerly known as the Townsend-Stirling bill, has been introduced into the Senate by Senator Thomas Sterling of South Dakota and into the House of Representatives by Congressman Daniel A. Reed of New York.

The bill provides for the creation of a department of education with a secretary in the President's cabinet and authorizes appropriations not to exceed \$100,000,000 for educational purposes. According to the bill the funds should be disbursed for combating illiteracy, the training of teachers, Americanization work among the alien populations, physical education, and equalization of educational opportunities, especially with regard to the rural districts.

The bill expressly provides that the right of the individual States to supervise and control their own educational affairs shall be carefully safeguarded and the Secretary of Education is forbidden to interfere with state control in any way.

The new education bill is supported by the National Education Association, the National Council of the Scottish Rite of Freemasonry, Southern Jurisdiction, the Order of the Eastern Star, the American Federation of Labor, the Daughters of the American Revolution, the Congress of Mothers and Parent-Teachers Associations, the Grand Encampment of Knights Templar, and many other organizations.

Information regarding investments and loans on easy monthly payments may be obtained at the office of the Association, 90 Broadway. (Adv.)

NEWSPAPERS TO BE USED AS SCHOOL BOOKS

Much interest is expressed in Washington, D. C. educational circles over the proposals of the newspaper as a class room book for daily study.

The plan is advanced by Charles A. Lee, state superintendent of public schools, who has placed it before each school in the State.

Mr. Lee asserts that the newspaper as the vehicle of world-wide communication and exchange of thought, is a public necessity, and that pupils should be taught how to read and study the news in the better class of news papers. Grasp of the dangers besetting Government, he holds, can only be had by serious study of the actual developments day by day.

Stephen A. Wagner, member of the St. Louis Board of Education, advocates that the board subscribe for a large number of papers, to be put into regular use in classroom work. This plan would give each pupil a newspaper during the discussion period.

NEWS OF MENLO PARK

Charles Murray is up from Coal- inga to spend the holidays with his father. He is an oil expert, well ac- quainted with the southern oil fields and their production. Mr. Murray will return south next week.

Paul Walsh arrived home from Chicago on Friday last, too late to attend his father's obsequies occur- ing the day before. He had hoped to arrive in time but could not make proper train connections, much to his regret. The young man likes the east, and will return after the first of the year.

C. L. Kurtz met with a painful ac- cident on Tuesday evening last on- lighting from a Southern Pacific train from San Francisco he slipped on some object on the ground and fell heavily. He suffered a fracture of three ribs besides internal injuries. He will be confined to his home for several days.

The Menlo Park football team is practicing diligently for the big game to take place with the Redwood City eleven on the latter's gridiron on January 6. The contest promises to be a jumbo affair.

Frank Maloney, proprietor of the Menlo Pool Parlors, is recovering from an attack of pneumonia. He is convalescent and will be able to be around soon.

James B. Clothier has been re- moved from St. Francis hospital to his home in the city, not much im- proved, but the attending physicians have hope of his ultimate recovery.

Farmers and fruit growers are much alarmed over the continued ab- sence of rain. Jupiter Pluvius must soon shed his copious tears if he would make his hearty friends happy.

All the little boys and girls be- tween 3 and 10 years old enjoyed a Christmas tree at the home of Mr. and Mrs. Leon Douglas Tuesday forenoon. This was the tenth birth- day anniversary of little Ena Doug- lass, so the occasion was doubly cele- brated by the happy parent. Old Santa Came down the accustomed chimney and after greeting the youngsters began to distribute the substantial gifts upon the large tree located on the spacious porch. Mr. Douglas delivered an appropriate speech to the assembled children. His warm words of welcome were greeted heartily by the wee tots who showed their appreciation of the speaker's kindness in this way. Mr. and Mrs. Douglas were extremely happy in greeting their guests and in making them at home in the big mansion. The little ones will long remember their host and hostess.

The approaching year portends prosperity to the people of this com- munity. The Dumbarton Bridge con- struction is to commence shortly, work on the new city hall is to be started and numerous big homes are to be erected. Property values are air- alping and the number of intending purchasers are becoming larger every day. Verily Menlo Park has everything to be thankful. The fu- ture looks rosy.

The pupils of St. Joseph's paroch- ial school enjoyed a Christmas tree on Wednesday afternoon in the auditorium of the institution. Be- fore the distribution of gifts the school presented a neat program the youthful performers showing the result of their patient training by the good mothers who spent much

time in rehearsal. Father D. Kelly complimented the teachers and pupils on the splendid performance and the manner in which each num- ber of the program was rendered. The tree was then stripped of its pre- cious presents, each child receiving a lark, singing songs of joy and praise of their school.

To all the readers of this column we wish a very happy and prosperous New Year. May your most roseeat dream be realized during the coming year and your fondest hope be crystallized into the realm of real- ism.

RESOLUTION IN MEMORIAM

Court Menlo A. O. F. No. 8020

WHEREAS: The Great and Supreme Ruler of the Universe hath in His infinite wisdom re- moved from among us and from a life of usefulness and devo- tion our esteemed Brother Martin H. Walsh; therefore be it

RESOLVED: That the remov- al of such a Brother from our midst leaves a vacancy and a shadow that will be deeply realized by his family. Court Menlo A. O. F. No. 8020, and the many friends at large

RESOLVED: That while we bow our heads in humble sub- mission to the will of the Su- preme Ruler, knowing He doth all things well, yet we deeply mourn the loss of our esteem- ed Brother, and our long and intimate relations with him as a Brother and friend, the faith- ful performance of his duties to the Court and to his family and numerous friends makes it

eminently befitting and a pleas- ure to record our appreciation of him and to express a hope that his example and many vir- tues will be emulated by all. RESOLVED: That we record in our minutes our sincere sym- pathy to the bereaved relations of the deceased in their hour of bereavement, and that a copy of these resolutions be sent to the family and to the press and that the charter be draped in mourning for thirty days in memory of one who has added much to human joy and the furtherance of the principles of our Order.

NOTICE TO BIDDERS

Pursuant to Section 1612 of the Politi- cal Code, notice is hereby given by the Board of Trustees of the Redwood City School District, San Mateo County, California, that the said board will receive proposals for the furnishing of one forty passenger automobile school bus. The said proposals must state the price, horsepower, and carrying capacity of said bus and time the same can be furnished, fully equipped, to said board. The proposals should be sent to the office of the Board of Trustees, Central School Building, Redwood City, California. Said proposals may be sent up to the hour of eight o'clock p. m., Tuesday, January 15, 1924, when they will be opened by the said board at the office of the board in the Central School Building, Broad- way, Redwood City, California.

Signed:
HENRY STEINBERGER,
Clerk of Board Trustees, Redwood City School District, Redwood City, California.

WOODSIDE PEOPLE COMING AND GOING

Woodside joins with Redwood City in mourning the loss of L. P. Behrens. Mr. Behrens was always in- terested in the development and im- provement of Woodside and to many of our residents he was a close per- sonal friend and advisor.

James Huddart and his sisters, Misses Clara and May Huddart, following their Christmas holidays here, spent the holiday in Berkeley where Christmas Day always finds a re-union of the Huddart clan.

Latest to join the ranks of the radio fans is Bill Byrnes. No young- ster can get more pleasure out of the air than can he. He has ordered an expensive set installed with which he intends to enter competi- tion for all long distance records.

Work is being done on our dirt roads by the county scraper, dirt and ditches are being cleared and the roads widened. This will help to make passable some of our roads that are often difficult to negotiate in the winter time.

An attack of Measles is spoiling the holidays for a number of Woodside children who are com- pelled to spend the days in darkened rooms instead of enjoying the bicy- cles and scooters left for them by Santa Claus.

The Christmas tree celebration of the Sunday School took place at the church on Thursday evening be- fore a capacity house. Each mem- ber of the Sunday school took part on song or recitation. The most elaborate setting was the story of the Old Woman Who Lived in a Shoe, in which production the part of the old woman was taken by 'Charity' Harris, that of Santa Claus by Jack Hofstad and that of the fairy by Kathleen Glisk.

A family re-union featured Christ- mas Day at the home of Mr. and Mrs. Fred Migha and the dining table had to be stretched to its last inch to accommodate those who sat in at the feast.

Woodside adds the weight of its prayers for the recovery of Sheriff Lampkin, an efficient public officer, and a kindly gentleman.

The new store building adjoining the Live Oak Market is nearing com- pletion and will soon be occupied as a general store by E. Dale of Menlo Park.

Mrs. J. L. Ross, Jr., will entertain the members of her family on Sun- day. The guests will include Mr. and Mrs. Martens of San Francisco, Mr. and Mrs. Frank Nash and family of Burlingame, Mr. and Mrs. Caswell Sweet and family and Dr. and Mrs. Philip Kroeck and family of Redwood City.

C. S. A. A. TO HANDLE 1924 REGISTRATION PLATES

The California State Automobile Association will issue 1924 motor ve- hicle registration plates to its 35,000 members beginning January 14, 1924. Announcement of the addi- tion of this new service to use now available to the Association's mem- bership was made yesterday by Sec- retary-Manager D. E. Watkins.

Under the co-operative arrange- ment perfected with Superintendent Will H. Marsh of the State Motor Vehicle Association members may call at any of the Association's twenty-one district offices, excepting Sacramento, headquarters of the Motor Vehicle Department, and immedi- ately receive their 1924 plates in exchange for the \$2 registration fee and a properly signed certificate of registration. The Association's offices will issue plates only for pass- enger cars but will assist members owning commercial vehicles in facili- tating their 1924 registration by supplying the necessary blanks and information.

In six weeks, January 14 to March 1st, the Motor Vehicle Department faces the gigantic task of re-regis- tering over 1,000,000 motor vehicles, issuing new certificates and plates and compiling new records. Members of the Association will be served by twenty offices of the organization in as many cities, thus eliminating the possibility of delay and congestion.

In serving its members in Northern and Central California the Automobile Association will also assist the department to the extent of handling over 35,000 registrations during the congested period.

CONGREGATIONAL CHURCH Dr. Loyal Lincoln Wirt will oc- cupy the pulpit morning and evening. Dr. Wirt was formerly assistant pas- tor of the First Church of Oakland and the City Tabernacle of London and for a number of years was Com- missioner of Education for Alaska.

He has been a world traveler and for several years has lectured on the Chautauque platform. Dr. Wirt is a pleasing speaker and the people of Redwood City are fortunate to have the opportunity to hear him.

CERTIFICATE UNDER SECTION 2466 OF THE CALIFORNIA CIVIL CODE

KNOW ALL MEN BY THESE PRESEN- TATIONS:

That I, J. PETER NEIPING, do hereby certify that I am transacting busi- ness in the State of California under the name of "THE STANFORD HATCH- ERY."

That I am therefore filing this cer- tificate

That I am the sole owner of said "THE STANFORD HATCHERY," and am the only person interested in said business.

That my place of residence is lo- cated in Donohoe Street, near Menlo Street, Ravenswood, San Mateo County, California.

That my principal place of business and the principal place of business of "THE STANFORD HATCHERY" is at my residence.

That my name in full is J. Peter Nei- ping.

IN WITNESS WHEREOF, I have here- unto set my hand this 28th day of December, 1923.

J. PETER NEIPING

States of California, County of Santa Clara, ss.

On this 28th day of December, 1923, before me, WALTER RODGERS, a Notary Public in and for the said County of Santa Clara, personally ap- peared J. Peter Neiping, known to me to be the person whose name is sub- scribed to the within instrument and acknowledged to me that he executed the same.

IN WITNESS WHEREOF, I have here- unto set my hand and affixed my Notarial Seal.

(Notarial Seal)

WALTER RODGERS, Notary Public in and for the County of Santa Clara, State of California.

The above certificate was filed in the office of the Clerk of San Mateo County, California, on December 28th, 1923.

Date of first publication in Times-Ga- zette December 29, 1923.

RUNNYMEDE ITEMS OF LOCAL INTEREST

The dancing party given by some of the Sequoia High School students in the school auditorium here last Saturday evening was reported to be a success. A nice crowd was in attendance and a good time reported. The High School orchestra received many compliments on the music fur- nished for the dancing which was en- joyed by the young people. As the party was not advertised in this lo- cally a great many were not present who would have been.

An event of special interest to the people of Runnymede will be the wed- ding of Miss Emily Gravestock and Carol Pressley Da Mait old. The young people are to be married in the Presby- terian church in Palo Alto at 10:30 and an invitation is extended to all their friends to witness the marriage ser- vice at that hour.

This evening the Runnymede 49er club will give a grand dance. There will be prizes for the best sustained characters. The proceeds will be used to reduce the furniture debt, and the dancing party will be different than usual—modern dances are to be alternated.

There has been an epidemic of measles all over the community, but the children all seem to be improv- ing and in all probability everyone will be over it for the opening of school next Monday.

David Starr Jordan will be the speaker at the Runnymede Woman's Club next Wednesday afternoon. The topic, "Stanford University, being one of the Places of Interest With a Day's Journey of Runnymede," is the program for the year at the monthly meetings.

Mr. and Mrs. L. Hanson and family visited in Oakland on Wednesday. The Christmas party given by the many a Daly City family was proved a great success.

Mr. and Mrs. Ochs were the guests of Mrs. Fred Johnson Wednesday evening.

DALY CITY MERCHANT DIES

Edward Ryan, the pioneer grocer of Daly City, died suddenly of heart failure in the office of his store Wed- nesday afternoon. Mr. Ryan went to Daly City when that place was first laid out as Vista Grande and started the first grocery in that section. He was active in all of the early affairs of the town and when it was desired to start a school district he gave part of his store for classroom use and the school system of the district was started and conducted there for two years. He was a charitable man and many a Daly City family was pro- vided for when the chance of a return was very small.

Mr. Ryan was a native of Canada, aged 65 years. He leaves three children, two sons and a daughter. One of the sons, Allen, has resided with his father during his residence in Daly City and is a senior at the University of California. The other two children reside in the east. The funeral was held yesterday and the body was cremated at Mt. Olivet.

The deceased was member of the San Mateo County Grand Jury this year.

Mr. and Mrs. Harry Dearborn of Duane street had as their guests for Christmas, the former's parents, Mr. and Mrs. Eugene Dearborn of Pes- cadero.

Paul Stevens is expected to arrive Monday from a sea voyage. Stevens will spend the holidays visiting his sister, Mrs. Wilbur Dooxee of Arling- ton ave. Mrs. Dooxee's parents, Rev. and Mrs. C. H. Stevens, are also vis- iting here.
